ONE EXTENSION GRANTED

Bayview Avenue Matter Held for Further Consideration.

The council decided to take the matter of an extension out the Bayview drive way under further consideration.

A change of sentiment in the attitude of the public in regard to this extension was apparent at the meeting yesterday. A communication from O. H. E. Kramer was read in which Mr. Kramer urged the extension of the line, provided certain improvements were made, such as were outlined in a recent interview with Mr. Kramer in The Caller. The communication was filed for reference.
